

the dard

Department:
Agriculture and Rural Development
North West Provincial Government
Republic of South Africa

VISION

A united and prosperous agricultural sector for economic growth and integrated rural development

Our Values

The Department commits itself to the implementation of these principles

Client focused

We promise to be client oriented and responsive by displaying a positive and helpful attitude to our clients. We undertake to be accessible, approachable, friendly and sensitive and always show empathy towards our clients.

Dedicated

We resolve to be committed and motivated by approaching our work with passion and diligence, be disciplined and take ownership of everything we do. Of utmost significance, we commit to be punctual.

Integrity

We undertake to be ethical, transparent, honest and approach our work with openness and fairness. We pledge to be always trustworthy and reliable.

Productivity

We must be results oriented and output driven so as to attain absolute production.

Rational

We guarantee to approach our work with purpose and logic by being analytical, critical and reasonable.

Solution oriented

We should be inclined towards creativity and innovation as well as be flexible, initiative and decisive.

Team work

In everything that we do, we will involve the collaboration and participation of all people by consultation and cooperation. We will share information and knowledge through the creation of participative / consultative forums.

MISSION

Working with our partners to provide sustainable agricultural and rural development

WE BELONG

WE CARE

WE SERVE
