MEC Dr Motlhabane to officially open the Moretele Registering Authority and handover bicycles to learners in Ngobi

In an effort to bring services closer to the communities of the province, the North West Department of Community Safety and Transport Management, MEC Dr M.N. Motlhabane will officially open and hand over the Motor Vehicle Registering Authority to the Moretele Local Municipality.

The Centre is opened to reduce the travelling of motor vehicle owners living around the areas of Moretele, neighbouring farms and villages who have been travelling more kilometres to access licensing services in other areas.

Then the Department will further hand over 108 bicycles to the learners of Gaseitsewe Primary School in Ngobi village. The aim of this project is to supply and distribute new bicycles to learners who are walking long distance daily from home to school in the rural and farm schools of the Province.

Members of the media are invited to be part of the two events which will unfold as follows:

Date	Event Description	Venue	Time
07 September 2016	Handing over of bicycles	Ngobi Agrico Hall, Ngobi Village	10H00
08 September 2016	Official opening and handing over of Moretele Registering Authority	Moretele Local Municipality Hall	10H00
