Mahikeng Registering Authority temporarily closed for maintenance and renovations

Motorists and communities of Mahikeng are being notified of the temporary closure of the Montshioa Registering Authority.

The offices were closed on Friday, 04th November 2016 for maintenance and renovations.

The Bokone Bophirima Department of Community Safety and Transport Management MEC, Dr Mokgantshang “Mpho” Motlhabane apologises to the public for the inconvenience caused by the closure of these offices.

“We understand the inconvenience and the frustrations we might have cause to our communities, but it is also important for the building and equipment to be renovated and serviced in order for the health and safety standards of our offices to be maintained.

Our communities must bear with us as we will definitely ensure that we reopen the Registering Authority before the end of this week as we cannot compromise service delivery for too long,” said Motlhabane.
