NW LEARNERS TO DELIBERATE ON ROAD SAFETY TECHNIQUES

The Department of Community Safety and Transport Management will be hosting the Participatory Education Techniques (PET) which is one of the educational flagship programmes which is aimed at changing learner's attitude towards road safety issues. This programme is directed at Grade 10 and 11 learners.

The purpose of this is to encourage learners to be aware of road safety challenges in their community, to teach learners to take responsibility of road safety issues that affect their communities, to change learners attitude towards road safety issues by means of participatory education and to develop and enhance learners presentation, communication as well as listening skills by means of practical presentation session.

Members of the media are invited to be part of the event which will unfold as follows:

Date	Venue	Time
23 September 2016, Friday	Barolong Boora Tshidi Community Hall	08H00

-END-
