### **MEC Molapisi to meet the residents of Ganyesa**

Community Safety and Transport Management MEC Gaoage Molapisi will meet the communities of Ganyesa following the case of assault with intent to do grievous bodily harm.

Today's MECs' meeting with the concerned residents of Ganyesa would be the second following the one he had with them earlier this week.

In today's meeting which will be held at Ganyesa Sport Ground, Molapisi will appeal to the fuming residents to calm down and have trust on the justice system that the case will be investigated and given a fit judgement.

A case of assault with intent to do grievous bodily harm was registered at the Ganyesa police station following allegations that a 9-year-old boy was handcuffed and hand electrocuted on Wednesday 28 May 2014, by the owner of a filling station.
