MEC TO HAND OVER SOCCER KIT TO ITSOSENG FOR THE AGED LADIES SOCCER TEAM AT NGOBI VILLAGE

The MEC for the Department of Community Safety and Transport Management has received a request from a ladies soccer team called Itsoseng for the Aged in Ngobi village, Bojanala District Municipality requesting a soccer kit.

A consulting firm, called Aganang Engineers was more than willing to partner the department and purchased a soccer kit as part of their Community Social Responsibility project.

The departmental MEC, Dr Mpho Motlhabane, together with the Aganang Consulting Engineers will therefore officially hand over the soccer kit to the team.

Itsoseng for the Aged Soccer Team will, after the official programme, showcase their talent and soccer skills when they clash in the field with another local team.

Members of the media are therefore invited to cover the event which is scheduled as follows:-

Date: Monday, 07 August 2017

Time: 10:00

Venue: Mighty Ministries of God Church
