# VILLAGE, TOWNSHIP AND SMALL DORPIES ECONOMIC LEKGOTLA - 2016

Bokone Bophirima Provincial Government led by Office of the Premier and Finance, Economy and Enterprise Development Department is set to host the first annual VTSD Economic Lekgotla.

The Lekgotla will create a platform for government, private sector and interested investors to discuss the implementation of economic plan for VTSD areas with aim of addressing the triple challenges of poverty, unemployment and inequality within the province. It will also result in the Province emerging with concrete VTSD Industrialization Action Plan for implementation in the context of the five concretes pursuant to the attainment of NDP objectives.
