Department addresses housing delivery timeframes with service providers

Mahikeng: In an effort to fast-track quality housing delivery within Bokone Bophirima province, MEC for local Government & Human Settlements Galaletsang Gaolaolwe and Head of Department Mr. Pihadu Motoko believes that constant meetings with developers will ensure proper monitoring of housing projects of underperforming contractors. This follows a recent meeting with service providers to identify possible problems and provide solution to expedite completions.

The Head of Department Mr Motoko when presenting statistics of project implementation, pleaded with contractors to accelerate the remaining houses and slabs across the province. Motoko said technical sessions with contractors will continue without fail to assist developers to complete their projects within agreed period stipulated in their contracts.

In closing MEC Gaolaolwe assured contractors that the departments is committed to pay invoices within a short period of time provided all required documents are submitted.
