### **MEC Gaolaolwe on voter registration weekend**

Acting MEC for Local Government and Human Settlements in Bokone Bophirima, Fenny Gaolalwe has registered the provincial government's satisfaction at the voter turnout in voting stations across the province, at the weekend.

"While the registration at various registration stations proceeded with little disturbances, we want to take this opportunity to thank eligible voters who made time to go and register to vote in the upcoming local government elections. Those who didn't make it before the stations closed, all is not lost. They still have an opportunity to register at a local IEC office in all local municipalities. This is your democratic right to vote for a leader of your choice, it is an opportunity that cannot be missed", she said.
