PREMIER MOKGOSI TO ENGAGE CAPTAINS OF INDUSTRIES ON PARTNERSHIP OPPORTUNITIES FOR ECONOMIC GROWTH - HOSTS A CHARITY GOLF TOURNAMENT

Mahikeng – Premier Lazarus Kagiso Mokgosi of the North West Province will on Wednesday, 16 April 2025, host a roundtable discussion with Captains of Industries to discuss areas for collaboration towards the successful and comprehensive implementation of key 2025 State of the Province Address (SOPA) pronouncements. This engagement will afford the provincial government and business sector the opportunity to also explore strategic enablers and barriers to economic growth in the North West Province, focusing on sectors that are dominant in the economy of the province including Mining, Agriculture, Manufacturing, Tourism, ICT, Engineering and Construction.

Hosted in collaboration with the department of Economic Development, Environment, Conservation and Tourism, the roundtable will underscore ways of creating sustainable job opportunities and alternative strategies to alleviate poverty in line with the 2025 SOPA injunctions. The roundtable discussion will be attended by Captains of Industries, Members of Executive Council, Premier's Economic and Investment Advisory Council and Heads of Departments.

This engagement will be followed by Premier's maiden Charity Golf Tournament which will be attended by prominent golfers from business fraternity and professional organisations.
