LAST THUNTSHA LEROLE PROGRAMME FOR 2025 TO BE ROLLED OUT IN MOSES KOTANE LOCAL MUNICIPALITY

Mahikeng – The Moses Kotane Local Municipality which falls under Bojanala Platinum District Municipality will be a focal point for service delivery on Monday, 15 December 2025, as the provincial government will be rolling out the Accelerated Service Delivery Programme, Thuntsha Lerole Reloaded at Uitkyk village near Madikwe. This will be the last segment of Thuntsha Lerole for the year, as the next roll out will be undertaken in January 2026.

This programme will benefit communities from Uitkyk, Brakuil, Madikwe Koffiekraal and Vrede villages, where services including distribution of agricultural packages, food parcels and tree-planting activities will be undertaken. Health care awareness and promotion activities will be intensified as part of ongoing efforts to strengthen public health education.

In an attempt to restore road quality and support service delivery in the local municipality's rural areas, road blading from Koffiekraal to Uitkyk and from Uitkyk to Madikwe will be carried out, while the Clean Cities Campaign themed Rata Tikologo ya Gago, will be implemented to address waste management challenges and encourage cleanliness in public spaces.

All provincial government departments and state-owned entities will be onsite to render a range of essential services and address service-related queries from the community members.

Moses Kotane Local Municipality is one of the ten local municipalities prioritised for implementation of phase 5 of Accelerated Service Delivery Programme – Thuntsha Lerole,

which is experiencing a backlog in road maintenance thereby affecting accessibility for rural residents, and limited access to proper sanitation in these areas, among others.

The day's programme will be led by Premier Lazarus Kagiso Mokgosi, who will be joined by the MECs, Mayors and local traditional leaders.

Members of the media are invited to attend and cover the planned provincial Accelerated Service Delivery Programme - Thuntsha Lerole Reloaded which will be rolled out in Moses Kotane Local Municipality, and a community feedback session which will be held as follows:
