Christmas Message
from
MEC Wendy Nelson

*T*he Christmas season is upon us. Over the past few months, we have consistently been wishing for December. Well, ke Dezemba. During this month, we should all welcome guests coming to the North West Province to experience the bushveld, visit our mountains, dams, rivers, guests houses, BnB's, hotels and chesa nyama's with open arms.

The contribution through tourism made to our Province starts from the petrol stations and through the toll gates on our roads and if we treat all our visitors well and go the extra mile as an industry and community stakeholders, our guests are bound to return on another Sho't Left to the North West Province.

We must all ensure that we are our brother's keeper so that everyone arrives alive and starts the new year with new energy. The new year should be filled with joy, love happiness and peace.

To the staff in the Department of Tourism, the North West Tourism Board, government and all stakeholders in the tourism sector, and those celebrating Christmas a very blessed Christmas to you and your families. To everyone, have a joyous festive season and best wishes for 2019. Let's be kind to one another and make the North West tourism sector grow to newer heights.
