MEC MALOYI APPOINTS CONTRACTOR TO BUILD AN EMERGENCY HOUSE FOR A DESTITUTE FAMILY

The MEC for Cooperative Governance, Human Settlements and Traditional Affairs, Nono Maloyi accompanied by the Head of Department (HOD) Kgomotso Mahlobo have recently introduced a contractor to build a house for a family of ten who live in a one-room house in Madibogo Village in the Ratlou Local Municipality near Mahikeng.

According to the 29 years old mother of three, Idah April, who is the member of the affected family, the family survive on child support grant because none of the family members are employed and they make a living by doing odd jobs, which is not enough to provide for the whole family.

Mahlobo indicated that the contractor, Otukile Kgabi of MGT Projects, is the one that is going to make sure that the family has a roof over their heads. "We heard of your plight and we came here to ensure that you get a decent house, we promise you that you will be living in your house on Mandela Day this year," said Mahlobo.

Mahlobo also urged appointed contractor to perform to his best abilities because the MEC emphasized that he is going to terminate the contracts of non-performing contractors. She said the department is looking forward to working together with the appointed contractor and they will offer them support.
