

A close-up, low-angle shot of a smiling man in a dark pinstripe suit, light blue shirt, and patterned tie. He is holding a silver flip phone in his right hand, with his left hand positioned near the bottom of the phone. The background is a bright, out-of-focus cityscape.

## DR. RUTH MOMPATI REGION

The Dr. Ruth Mompati Region's slogan "Getting closer to nature" forms not only the focus of its tourism industry, but is the main focus of the people of the region.

The principal town, Vryburg, is the centre of a large agricultural district which has all the modern conveniences. However moving out of the town and into the real Dr. Ruth Mompati Region will provide a uniquely relaxing break from modern life. Amongst its treasures, the Dr. Ruth Mompati Region boasts the Taung Heritage Site, which is the site of the discovery of the Taung skull, one of the world's most important archaeological discoveries.

The region is also affectionately known as "The Texas of South Africa" given its strong mining and agricultural economy. The vast expanses of this African savannah bushland is home to a great variety of game species, including lion, buffalo and rhino to be encountered at a number of privately owned game reserves.

➤ Amongst its many wonders, the region's attractions include:

- Taung Heritage Site
- Molopo Nature Reserve
