PRESS RELEASE

2 November 2005

MEC YAWA SATISFIED WITH HEALTH FACILITIES BUILDING PROJECTS.

North West MEC for Public Works, Honourable Mr. Howard Yawa today said progress on construction of health facilities by his department is improving.

In the last week the Department of Public Works has handed over Vriesgewacht Clinic, Khunwana Clinic and Disaneng Nurses Home to contractors for commencement of Building Projects.

Mabule, Setlagole, Austrey, Tseoge and Bona-Bona Clinics are at foundation levels. Roofing is complete and the contractor is about to deliver Itsoseng Clinic two months ahead of schedule.

The Department has handed sites to contractors for the construction of the main hospital structures at Moses Kotane and Vryburg hospitals. Bulk earthworks are complete and Staff Housing Projects at the two hospitals are at foundation level.

“The Hospital revitalization programme is progressing well. The detailed practical steps we have committed ourselves to as a department to take to achieve better results in terms of the service level agreements with our client departments better are bearing fruits”, says MEC Yawa.
