MEC YAWA TO STRENGTHEN PARTNERSHIP WITH CONSULTANTS

As part of on-going stakeholder consultations with the construction industry, North West MEC for Public Works, Honourable Mr. Howard Yawa is to meet with consultants on Tuesday 16 August 2005.

The purpose of the meeting is to strengthen partnership with consultants, engage them on Project management, contractor support and the delivery of Projects within shorter time frames. This in line with the department's resolve to denounce business as usual.

"Our mandate as a department is to provide quality public infrastructure. We therefore expect consultants as our Project Managers to perform and ensure delivery of our projects on time, on budget and to the highest standard of quality." says MEC Yawa.

The department has extended invitations to Contractors awarded projects by the department to be part of the meeting.

The meeting is scheduled for 12H00-15H00 at the Embassy Hall (Next to the International School of Southern Africa), William Dick Street, Mafikeng.
