### NW PUBLIC WORKS FASTRACKS SCHOOL BUILDING PROGRAMME

The North West Department of Public Works is to handover three sites to contractors on Friday this week for the commencement of three School building Projects in the Southern Region.

MEC Yawa says, "The pace of delivery has gained momentum. We will be spending R7, 8 million for the building of Greenspark Primary School in Fochville. We will also spend R9, 1 million for the building of Keotshepile Primary School in Potchefstroom and R6, 9 million for the building of Thea Morafe Primary School in Klerksdorp".

The handover of the three sites will bring to seven the number of school building projects that the Department of Public Works has embarked upon in the past week.

The seven Projects are part of the thirteen schools that the Department of Public Works is executing on behalf of the North West Department of Education for the 2005/06 financial year.

MEC Yawa is to perform a sod-turning ceremony for the commencement of the school building project at Thea Morafe Primary School on Friday 22 July 2005.
