### **PUBLIC INFRASTRUCTURE REVAMP IN BOPHIRIMA ON TRACK SAYS MEC YAWA**

In the current financial year, the Department of Public Works has constructed six additional single rooms at the Christiana Road Camp and electrified Louwana, Bray, Eckron and Kameel Road Camps for the Department of Transport, Roads and Community Safety.

The department has also completed paving at the Mothibistadt Traffic Office and renovated the Veterinary Offices of the Department of Agriculture in Ganyesa.

In Taung, the department has erected carports at the Taung Traffic Office and constructed new stores for the Taung District office. Installation of air-conditioners in District Offices of the department in the Region, including renovation and painting of the Vryburg District Office are complete.

Under the school renovation projects, the department has completed renovation of Sietsang Primary and Tshaneng Primary Schools in Tlhakgameng and Tshaneng villages. The construction of additional six single rooms at Reivelo Road Camp is also progressing well.

“Public Infrastructure revamp in Bophirima is on track,” says MEC Yawa. He said these projects are an indication of government’s commitment to improve working environments for improved service delivery to communities.
